THE TREYBURN C

1850 SQ FT

This executive home offers a modest and casual floor plan with a first floor master. Staying with a narrow footprint width, the plan maintains a side-loaded garage for maximum streetscape appeal. Inside, the skylit foyer opens to a vaulted living room. Within view of the three-sided fireplace is the dining room and kitchen/breakfast. The master suite offers an elegant dressing/bath area. Upstairs are two more bedrooms and a bath. This plan includes a crawl foundation.
