

NARROW LOT / MODEST MOVE-UP

Copyright 1997 by James Wentling/Architects

06-01 J THE JUNIPER

2470 SQ FT

This classic floor plan arrangement fits in a 44 foot footprint that includes a two car garage. Outside, the porch and roof gables offer an engaging street presence in spite of its narrow width. Inside, the plan has large living and dining rooms with a pleasing three bedroom/two bath arrangement upstairs that includes a group play area. This plan has a nine foot ceiling on the first floor and a basement
